

# JAVA WEB-APP PROJECT

Mukul Saroya  
SHERIDAN COLLEGE

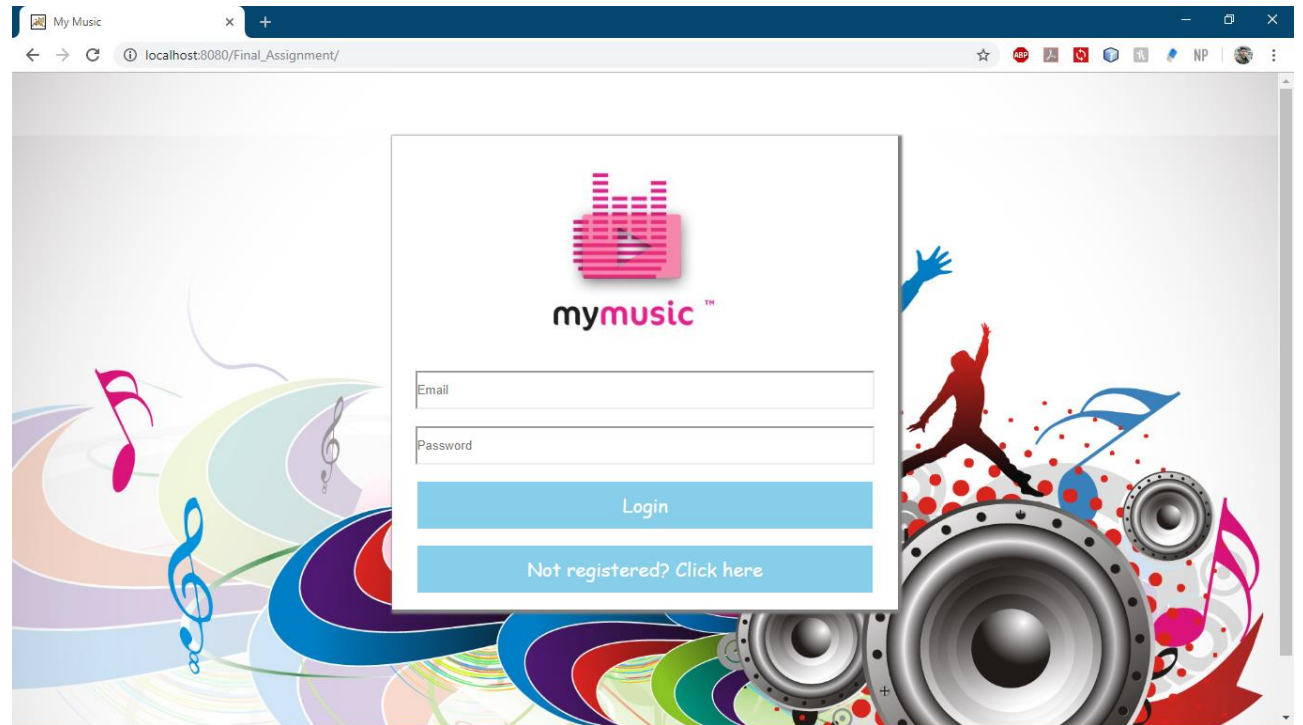

This is a playlist Web-app that was made to be your personal playlist that you can listen to anywhere around the world, even if you don't have your personal device that has music stored on it.

Let's get started with making an account on this website.

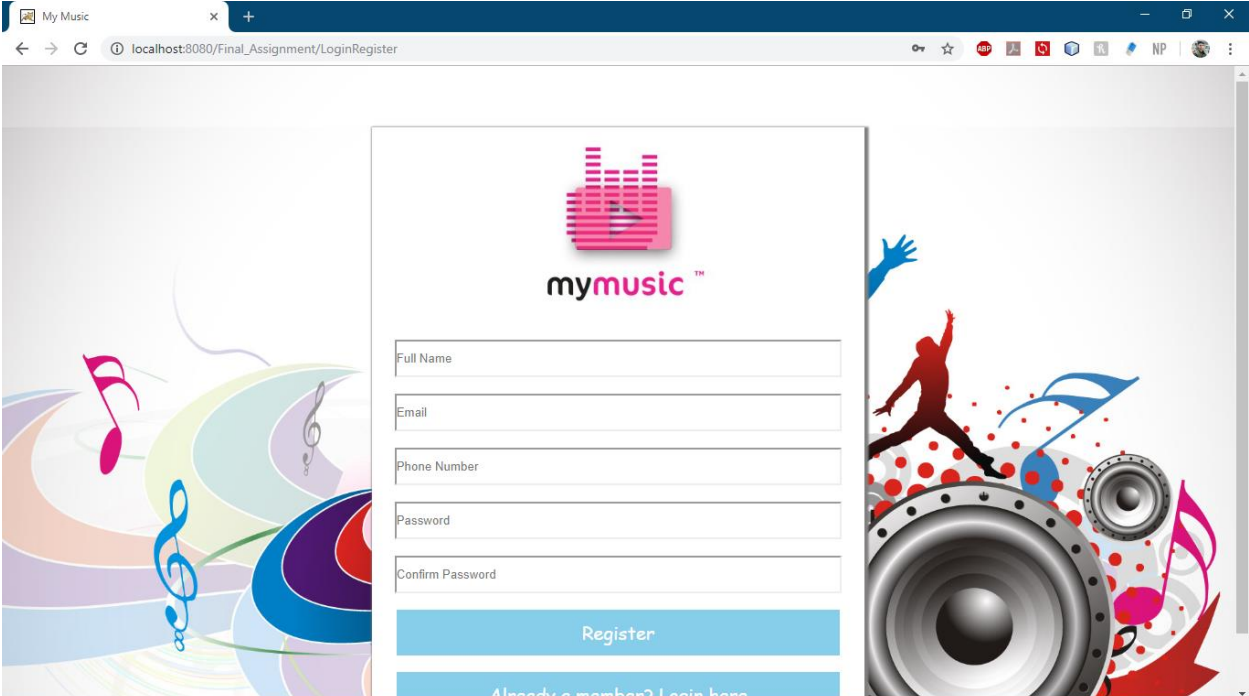

<https://youtu.be/TE7hPIHcFJ4>

You can find the code for it here:

<https://github.com/saroyam/mymusic.git>

Register your info on the website.
